popsike.com - vinyl records price guide

A promo-only Rolling Stones record, for example, will attract far more interest from collectors than one by Andy Williams. As a rule, a promotional copy of any record will command higher prices in the collector's market than the stock counterpart, though there are occasional situations where the opposite is true.

Vinyl Records Value - What Are Your Records Worth?

I just started watching the Friends reunion and at the very beginning was part of a song that was so familiar to me, but I hadn't heard it in a very long time. So, off to google land I went. The song, which I love, but had forgotten, is Embryonic Journey by Jefferson Airplane. From the 1967 albu...
