New religious movements and cults have appeared as themes or subjects in literature and popular culture, while notable representatives of such groups have produced a large body of literary works. Beginning in the 1700s authors in the English-speaking world began introducing members of "cults" as antagonists.

### New religious movement - Wikipedia

These "new religious movements...gathered new converts and issued challenges to the wider society. Not infrequently, public controversy, contested narratives and litigation result." [1] In his work Cults in Context author Lorne L. Dawson writes that although the Unification Church "has not been shown to be violent or volatile," it has been ...

### Cult - Wikipedia

Brian Wilson argued that many religious and spiritual organisations operating in contemporary society do not fit into categories such as churches and sects. This has led to the development of typologies of cults and other New Religious Movements. According to Roy Wallis (1984) cults differ from ...
