The air fryer's controls were okay, except for the "increase time" for the timer. That button wouldn't respond with a light tap, no. I had to use my thumb to tap it. Cooking with it had been okay. I've used it to air fry some fries. The box contained a manual, and the time had been 22 minutes to cook some fries, I think. Please don't quote me ...

Emerald 4L Digital Air Fryer Black SM-AIR-1812 - Best Buy

Used new air fryer for the first time- cooked half a 2 lb bag of crinkle cut fries in 12 min with no preheating! Could probably fit a full bag in this. I was worried about getting one that was too small! Cooked perfectly- so much better than in the oven and without stinking up the house like the the hot oil fryer. Crispy on the outside.

Generally, food, like homemade fried chicken or fried fish, made in an air fryer is healthier than if you were to fry it the traditional way, submerged in oil in a deep fryer. Frozen foods you might otherwise baked in a convection oven, however, won't be any healthier. But they might cook faster, and clean-up is a breeze.
