Local Government Autonomy In Nigeria

The Social Action said it was supportive of the ongoing clamour and campaign for local government autonomy and accountability for effective service delivery in Nigeria.

Lack of autonomy killing local government system - CSOs ...

Nigeria as a federal republic operates three tiers of government: federal (or central), states and local government. The country's constitution provides for each local government (which exists in a single tier countrywide), and its development areas and autonomous communities created by individual state legislation to have democratically elected local government heads.

Local government - Wikipedia

Local government has also been defined by Wikipedia as a form of public administration which, in a majority of contexts, exists as the lowest tier of administration within a given state. A better definition has been given by Britannica. It defined local government as the government with authority to determine and execute measures within a restricted area inside and smaller than a whole state.

Nigeria - Nigeria - Independent Nigeria: Nigeria was granted independence on October 1, 1960. A new constitution established a federal system with an elected prime minister and a ceremonial head of state. The NCNC, now headed by Azikiwe (who had taken control after Macaulay's death in 1946), formed a coalition with Balewa's NPC after neither party won a majority in the 1959 elections.
