Chapters 1-4 call our attention to two competing types of democracy. The first, majoritarian or Westminster democracy, is what most people immediately think of when they think of democracy: A legislature elected by a simple majority of the voters governs, and voters throw the ruling party out if it governs poorly.

## **Summary of Lijphart: Patterns of democracy -- Adam Brown ...**

Of the first five variables, being a country that by an large has the first option (for instance, a two party system) means that the country is majoritarian. The second would be a consensus democracy (in this example it would be
