The question of whether or not morality requires religion is both topical and ancient. In the Euthyphro, Socrates famously asked whether goodness is loved by the gods because it is good, or whether goodness is good because it is loved by the gods.Although he favored the former proposal, many others have argued that morality is dictated by—and indeed unthinkable without—God: “If God does ...

Philosophical reflection on religion is as old as Greek questions about Hebrew stories. Feminist philosophy of religion is a more recent development within Western philosophy that poses feminist questions about religious texts, traditions, and practices, often with the aim of critiquing, redefining, or reconstructing the entire field in light of gender studies.
