While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

The Art Of Closing The

The Art Institutes are a collection of for-profit art schools that are owned by Education Principle Foundation and the remnants of two failed parent companies: for-profit college operator Education Management Corporation (EDMC) and Dream Center Education Holdings (DCEH). The Art Institutes offer several programs at the associate's, bachelors, and master's levels, as well as other programs for ...
