Use a different Vizio remote with your TV. Most Vizio remotes work with other models of Vizio TVs. If you can get your TV to respond to a different Vizio remote, then you may need to replace or update your current Vizio remote. Similarly, if your malfunctioning Vizio remote actually works with a different TV, the remote isn't the problem.

The Vizio Elevate is a bit better for mixed usage than the LG SP9YA. The Vizio comes with discrete satellite speakers, and it offers better soundstage, center, surround, and Atmos performances. It also has a unique design with sides that rotate upwards to enhance its soundstage, which some users may prefer.
