Europe offered a more or less integrated market for ideas, a continent-wide network of learned men and women, in which new ideas were distributed and circulated. European cultural unity was rooted in its classical heritage and, among intellectuals, the widespread use of Latin as their lingua franca. The structure of the medieval Christian Church also provided an element shared throughout the continent.

**Why Europe grew rich and Asia did not : global economic ...**

Most of these countries where the rich are parking and investing their wealth seem to have stricter and tighter regulations. If you are looking to save money on taxes, why would you ship your money and your wealth to those countries? Finally, as the billionaire owner of Seagram's, Edgar Bronfman once said: "To turn \$100 into \$110 is work.
