Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Of course, if we are discussing @Prompt then we are discussing work done in Business Objects' Designer. I suppose you could hard-code one in the SQL of a WebI report, but if you are doing that then I don't think you are ready for the next level. Anyway, back to Designer, @Prompts are placed in condition objects (the little filters).
