Color Atlas of Pharmacology 3rd ED by pharmacyStudent on Mar 02, 2018 Book Reviews: In many countries, medicine is at present facing urgent political and economic calls for reform. These socioeconomic pressures notwithstanding, pharmacotherapy has always been an integral part of the health care system and will remain so in the future.

Color Atlas of Pharmacology 3rd ED - pharmacyStudent.ME

The pocket/color atlas series is probably one of the best things to happen. Sometimes, professors/postdocs/students can get caught up explaining things and digressing into unnecessary information. I think that the Pocket Atlas of Pharmacology adequately presents the information of our field and does provide important historical background as well.
