the introduction addresses what the study will entail. The background discusses existing data on your topic, the problem statement is what you identify as an issue with supporting data. Lastly, the...

What is the difference between introduction and background ...

Introduction The Book of Proverbs is a delight to ponder, yet it is extremely difficult to preach. You may very well wonder why, in the light of this, I would choose to make Proverbs the topic of study for a number of weeks. The purpose of this message, in part, is to answer that question. I want to suggest some of the contributions the Book of Proverbs can make to your spiritual life.
