The opportunity to learn about the set up and use of Sage 300 CRE is limited only by a user's dedication to the learning process. Some suggestions for honing your skills include: Prepare written procedures for the tasks you routinely perform within Sage 300 CRE. Take screenshots of the windows you access, paste them into a Word document, and add notes detailing the fields required (either by the software or by your company) and the steps needed to fully complete the task.
