In 1938 Graham Greene travelled to Mexico to investigate the state of the country after the anti-clerical purges of the Calles government... He travelled through the tropical states of Chiapas and Tabasco, where the repression of Catholicism had been most severe. The experience is recorded in The Lawless Roads and provided the material and inspiration for his novel The Power and the Glory.

Graham Greene: The Lawless Roads
Reading The Lawless Roads reminded me of a comment from Albert Camus from his notebooks: 'What gives value to travel is its fear. It is the fact that when we are so far from our own country we are siezed by a vague fear, and an instinctive desire to go back to the protection of old habits'. This is Graham Greene in Mexico.

The Lawless Roads by Graham Greene
The Lawless Roads is an account of Graham Greene's journey through Mexico in the 1930s. It was his mission to seek out and describe the Mexican Revolution's oppression of the Roman Catholic Church, and it was a mission he achieved cantankerously. The book thus offers an explicit view of a side of Graham Greene's character, the religion married to enduring guilt, that forms an implied basis for ...
