The Rich The Poor The

The poor can be blameless (Proverbs 28:6) and wise (Ecclesiastes 9:15). But other scriptures verses warn us that drunkenness, gluttony, and laziness can cause poverty (Proverbs 23:21). A telling passage that sorts out the difference between different types of poor people is 1 Timothy 6:9-10, which says, But those who desire to be rich fall into temptation, into a snare, into many senseless and harmful desires that plunge people into ruin and destruction.

Who Are The Rich & The Poor?

One of the pet topics of anti-capitalists like Bernie Sanders is the gap between rich and poor. In their opinion, this is the greatest of the problems that afflict modern society.

Is The Gap Between The Rich And The Poor The Real Problem?

Every nation is made up of the rich and the poor. Majority focus on how to make money and discard the principles of becoming successful. Most people will remain poor due to their perception and behavioural patterns. The rich have a certain laid out principles that work for them, thus becoming more successful. Below are [...]

Poor people save on their education, while the rich learn from the best and regret investing neither their time nor money. Do not be afraid to get out of the grey crowd and go for something better. In conclusion, even with the least amount of money, you can lead a life, full of intelligence and dignity.

8 Habits That Separate the Rich From the Poor

A great American cultural war between the rich and poor is inevitable, unless corporate America and its wealthiest citizens voluntarily commence accepting a larger load of taxation and the government implements dramatic steps to shore up the disparity that continues to widen between the people on contrasting economic poles."

Rich And Poor Quotes (26 quotes) - Goodreads

We live in a society comprised of two classes called the rich and the poor with a lot of differences between them. These are also referred to as the haves and have-nots of the society. The rich make up barely 20% of the population and have control over 80% of the resources while 80% of the population makes use of the remaining 20% of the resources. However, the divide between rich and poor, despite all 'isms' such as communism, capitalism, and socialism keeps growing all the time making ...
