Where Law Ends: Inside the Mueller Investigation by Andrew Weissman is not an easy read, but there are many fascinating elements to an investigation that we have watched unfold. This book gives readers the inside story of how the investigation was structured and perhaps most of all the meticulous care that this team took in not taking any public action until they felt secure in the work they ...

Where Law Ends: Inside the Mueller Investigation | News ...

“Where-ever law ends, tyranny begins”. The equality of all citizens under the law is a lynch-pin of the modern notion of the rule of law in a democratic state. A revolutionary implication of this idea, well appreciated by Locke in the tumultuous 1680s, is that even rulers and their magistrates were also under the “sovereignty of the law”.

John Locke on the idea that “wherever law ends, tyranny ...
